

STORM DESIGN AND SOURCING SOLUTIONS LLP

PRIVACY & COOKIE POLICY

We value your privacy and respect that you trust our company to protect that information.

This Privacy Policy will explain what information we collect from you, why we collect it and how we protect it. It will also explain your rights and how you can exercise those rights.

What Information do we collect?

- Information you provide when you require a quotation:
 - Name
 - Contact details (physical address, telephone numbers, e-mail address)
- Information you provide when you make a payment:
 - Payment Details (credit/debit card or bank account details)

Why Do we collect this information?

- To fulfil your quotation, order and provide related customer service.

Who has access to this information?

- Access is limited to information so that only employees who have need to use it and are obligated to protect that information to keep it confidential.
- Information may be shared as required or permitted by law when we believe it appropriate to cooperate with an investigation of activities claimed to be unlawful, to protect our rights of property or those of others.

How long do we keep your information?

- Personal information is only retained for as long as is necessary for the purpose for which it is provided or because we are legally required to do so.

What rights do you have to access and control the use of your information?

- You have the right to
 - Access your personal information
 - Withdraw any specific consents you gave to us
 - Request a copy of the personal information that is being processed by us
 - Have errors in your personal information corrected
 - Have your personal information deleted or to restrict the ways we use your information – but only under specific circumstances prescribed by law
 - Lodge a complaint with your local data protection authority

How can you exercise these rights?

- You can contact us to exercise any of the rights listed above by going to the Contact Us link on the website.

How do we protect your information?

- We maintain physical, electronic, and procedural safeguards designed to help us protect your personal information.

What are Cookies and why do we use them on our website?

- Cookies are small data files which often include a unique identifier that are stored on your device when you visit certain web pages. Cookies are useful because they allow a website to recognize a user's device. Like most websites, our website uses cookies that, among other things, let you navigate between pages efficiently, remember your preferences and generally improve your experience on our website.
- To ensure you get the best experience from our website, your computer, laptop, tablet or mobile phone will need to accept our cookies.

What kind of cookies do we use on our website?

Our website uses the following types of cookies:

- Strictly Necessary cookies
 - These cookies provide the services that you have specifically asked for on our website and are essential to enable you to move about our website and use its features.

How can you manage which cookies are placed on your device?

- Cookies allow you to take advantage of some of the websites essential features and we recommend you leave them turned on.
- The Help menu on most internet browsers will tell you how to enable or prevent your browser from accepting new cookies, how to have the browser notify you when you receive a new cookies and how to disable cookies altogether. You can also disable or delete similar data used by browser add-ons by changing the Add-on setting or visiting the website of its manufacturers.

Changes to this Privacy Policy

Storm Design and Sourcing Solutions LLP may revise this Privacy and Cookie policy from time to time. We reserve the right to modify this policy at any time, so please review it frequently.
